

**Minutes and Agenda of College of Sciences Leadership meeting
May 11, 2010**

PRESENT: Blount, Engdahl, McCoy, Osterhout, Rodin, Wallace, Zarnowsky

- 1) Food Animal Science and Marketing degree approved by THECB.
- 2) Status on IE spending?
AG has PO submitted, BIOL pending but with assurance of completion by 7/1, CHEM has Edith's orders pending, CS is still seeking lower bids, Math is complete, and PHYS is complete except for satellite ground station.
- 3) College T&P Committee election results: Salisbury is college rep. Collegiality inserted into our criteria: "The college encourages strong collegiality from faculty members. Collegiality is generally defined as accepting the goals and mission of the department, college, and university, working respectfully, courteously, and cooperatively within the department, college, and university, and maintaining high standards of professional integrity. All faculty members are expected to demonstrate collegiality. An ongoing effort to engage in collegial behavior is required for a positive tenure and/or promotion recommendation."
Grady distributed copies of the [e-mail](#) he sent to Limbaugh requesting rescission of Collegiality language from our T&P guidelines..
- 4) SPOL looking good. Thank you. SPOL Budgets due May 20th.
- 5) HB 2504: per Paul's legwork, Labs attached to lecture sections do not require syllabi.
- 6) [SOAR 2010](#) Dates: June 12 & 19, July 10, 24, & 31
Grady requested that each department have its head stationed at the registration areas (see next page) to assist with schedule conflicts. Kelly will be absent on 6/12; JO will be absent on 7/31.
